OUTDOOR POOLS

Community Message

The management team at Cornerstone Aquatics Center is excited to continue the rich tradition established at the "Neighborhood pools" at the West Hartford Parks. The 2021 summer season will start a new chapter of community success at the Outdoor Pools. This opportunity to serve the community will allow us to focus on meaningful recreational activities at the historical park locations. The management of the Outdoor Pools by dedicated staff will be committed to the highest safety standards, the enhancement of existing programs, and offering a variety of new Water Fitness Classes, Private Lessons, and fun family activities. We look forward to seeing everyone at the pool this summer. Stay safe, and be well.
